SCOPE Medical is scheduling Independent Tele-Health Examinations on the secure, HIIPPA compliant DOXY Platform. Please call or email our office today to request an exam.

How the Process Works:

Claimant will receive notification of their scheduled appointment date and time and subsequently receive a phone call to gather additional information needed to set-up this examination and appropriately run a trial test to acclimate them to the exam process. Once a trial test is completed the scheduling process will be complete and they receive a reminder call within 72 hours of the examination. On the scheduled appointment day they receive a link to the examination waiting room, follow the prompted instructions and enter our virtual waiting room at the appropriate examination time. The physician will start the exam when they are prepared to call them into their virtual exam room. Once the call is ended the examination is complete.

What is needed to get started & ensure successful exam:

- Camera and Microphone on either a PC, Laptop, Tablet or Smartphone
- Strong Wifi or direct Ethernet Cable
- Close all Unused Programs and windows to ensure minimal interference during calls
- Utilize the latest versions of Google Chrome or Firefox (Other browsers are troublesome or will not work at all)
- Quiet and private space to allow for appropriate exam to include history taking as well as a minimum of 3 feet space to provide adequate movement during physical examination

Any questions or to schedule, please feel free to call the SCOPE Medical office @ 781-438-3335.
